

AAKASH KUMAR

Software Engineering Intern Aspirant

aakashk7092@gmail.com

GITHUB | LEETCODE | LINKEDIN

EDUCATION

INVERTIS UNIVERSITY BAREILLY

COMPUTER SCIENCE ENGINEERING BACHELOR OF TECHNOLOGY (B.TECH)

Percentage: 84.17 in first year%

2024 - 2028

Bareilly Uttar Pradesh India

EXPERIENCE

SELF LEARNING | SOFTWARE ENGINEERING SELF-LEARNER (DSA)

Remote | 2023 – Present

- Practiced Data Structures and Algorithms using C++ on platforms like LeetCode and HackerRank
- Solved problems on arrays, strings, recursion, linked lists, trees, graphs, and dynamic programming
- Focused on writing optimized and clean code with better time and space complexity
- Improved problem-solving skills through consistent daily practice
- Maintained solutions and learning progress on GitHub

SKILLS

PROGRAMMING LANGUAGES

LIBRARIES/FRAMEWORKS

TOOLS / PLATFORMS

DATABASES

C++, Python, Java, html, CSS, Basic JavaScript

pandas, numpy

Git, VS Code, Leetcode, GitHub, CodeChef

mySql

PROJECTS / OPEN-SOURCE

DATA STRUCTURES & ALGORITHMS PRACTICE (LEETCODE) | [LINK](#)

Solved and practiced DSA problems covering arrays, strings, recursion, trees, graphs, and DP

Focused on time and space optimization

Improved logical thinking and coding efficiency

DSA SOLUTIONS REPOSITORY | [LINK](#)

Maintained a GitHub repository with clean and structured C++ solutions

Added README files explaining approach and complexity

Used Git for version control

HONORS & AWARDS

- Consistent Problem Solving Practice on LeetCode
